.:.:..!?!!!!.:!!!!.:.:.:...!?!?!!!!.:!?.!?!!!!.:!?!?.!?!!!!.:..:...!?!?!!!!.:.:..!?!?!!!!.:.:!?..!?!!!!.:.:..!?!?!!!!.:!?.!?Fishnet exiting after time: 1000020 msec.
Number of packets sent: 248
Number of packets dropped: 59
Number of packets lost: 5
```

Implementation under low BW. packets are ACKed or retransmitted (: or !), w/ normal packets represented (.) ? shows packets sent too fast. in this example, more than 100 packets are delivered.
